Literacy: How to best support your child at home:

- * Continue nightly reading and record in reading log book.
- * Revise golden, red and green sight words – reading and writing.
- * Speak to your child about what they have done at school during the day.

Mathematics: How to best support your child at home:

- * Play board games – which include dice rolling.
- * Ask them meaningful/relevant questions, e.g. “If we need 8 eggs and we already have 3 at home, how many more do we need to get?”
- * Encourage them to count forward or backwards when driving in the car or other informal opportunities.

Science/Garden: This term Mr Curtis will be taking our year 1 students out to the garden for the ‘Kitchen Garden Program’ on Tuesday mornings (9-11am) for weeks 1 - 5. In week 6 Kinder students will be participating in the ‘Kitchen Garden Program’. Then week 7 and 8 is swim school and therefore no garden program. In week 9 Kinder students will be doing their cooking lesson and for week 10, last week of school, there will be no garden program.

Sport: This term sport will be on a Tuesday 1pm-2pm. Please ensure your child is wearing their sport uniform on this day, including shoes suitable for running and gymnastics. Also ensure your child has a drink bottle as the weather is getting hotter.

Library: This term library will be on a Friday morning (10-11am).

Communication: If you have questions about your child’s learning or wellbeing, it is important that you contact your class teacher.
