State Hockey Championships

This week I represented the Riverina in the PSSA State Hockey Championships. I travelled to Newcastle with my Mum and Dad to play in the team. We played hockey over 3 days. The Riverina team defended really hard in all games but unfortunately we didn't get a win. I had a great time, made some good friends with boys from all over the Riverina region.

By Harry Thompson.

Some of our staff and students took the opportunity to enjoy the local arts, attending the production of Phantom of the Opera at the Albury Entertainment Centre last weekend.

Today we got to enjoy a reading of the story 'Space' for National Simultaneous Storytime. Our story was read by an astronaut in outer space 🪐

Peer Support Snapshot

This week in the Peer Support session, children will be focusing on the importance of support networks and the role that friends play in each other's lives. Children will construct a visual representation of this during the session. Encourage your child to identify friends they have who can provide support to them if the need arises.

During Peer Support next week the children will be looking at how to play in a friendly way in order to maintain friends and build positive relationships. Through various activities children will discover the importance of taking turns and having consistent rules throughout a game. Help your child practise these skills by encouraging them to play games with siblings, family or friends.

Author Visit

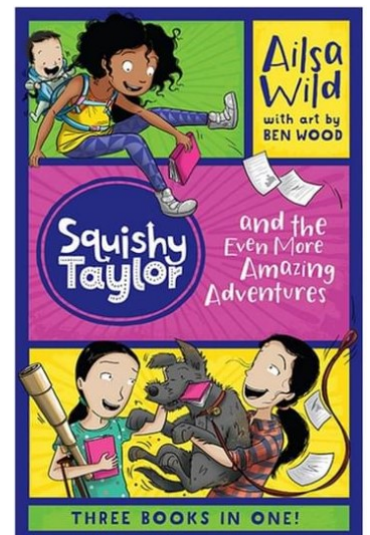

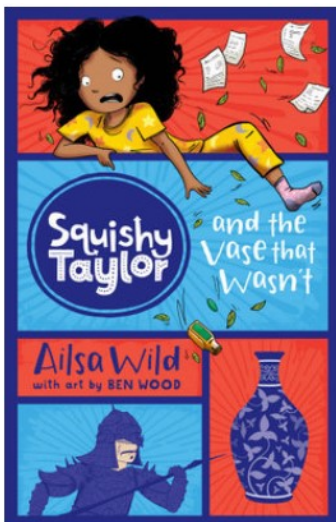

Today our class went into the learning hub and met an author named Ailsa Wild. We got to walk in different ways to express characters and we read a chapter of her first published book 'Squishy Taylor'. We got to make a story with a character named Lolly. We really enjoyed our time with Ailsa and had lots of fun.

Pearl M and Heidi R

On the 26 of May 2021 an author called Ailsa Wild visited this school for two lucky classes, 4/5B and 3/4AH. She told us that you can get her books at the Corowa library. Hopefully Mr Curtis will buy some for the school library! Ailsa became an author because she loves to read. It takes a whole year for a book to be ready to sell. It was exciting to meet a real author and listen to her reading her own book. One of her books is even on sale in China!

Netball Knock-out

On Monday the 24/5/21 eleven girls went down to the Howlong Netball Courts for the netball knockout against Small Schools PSSA team. It was a really fun day for us. Although we didn't make it through to the next level the girls tried their best and had fun. There's always room for improvement and other opportunities to play netball this year such as the Bernie O'Conner Cup which will be held soon.
