Welcome Back to Term 4

We hope everyone had a relaxing, restful and fun break over the school holidays. It has been great to see so many happy faces and beaming smiles in and out of the classrooms!

Thank you to our amazing P&C and to the families who worked very hard in the holidays to refill our sandpit and enhance some garden areas.

We are ready to learn and look forward to the various school activities scheduled for term 4!

This means when the bell rings:

**Hello to our wonderful
Howlong Public School students, staff and
community members.**

**I hope you all had a pleasant and relaxing break
over the school holidays and were all ready for Term
4 to get back into our routines! I look forward to
catching up with students and staff on Friday and
hope to see all those smiling faces as I make my
way around the school.**

**It is such a great joy to build strong relationships
with students as we continue to explore the Bounce
Back Wellbeing and Resilience program through the
rest of Term 4 together.**

**I leave you with this quote to ponder:
"I alone cannot change the world, but I can cast a
stone across the water to create many ripples." —
Mother Teresa**
