PRINCIPAL'S REPORT

Yesterday it was a privilege for our school to host a string quartet from the Murray Conservatorium. The musicians were very clever and provided some fabulous, engaging entertainment for our students.

Though the water is a little chilly, Swim School has got off to a pretty good start. Students are enjoying the chance to show off their skills and work towards improvement. We are fortunate this year to have many of our own instructors who are braving the cool water to work with our students. Thanks to Miss Moyle, Mrs Rolfe, Mrs Parcsi, Mrs Just and Miss Amery.

I was lucky to have a sneak preview this morning of one of the items that will be presented at our Presentation Day on December 12th. I can't wait to see and hear Miss Amery's class on that day. Their singing this morning was wonderful.

Don't forget to check out our calendar as there are lots of happenings in the next few weeks.

On Wednesday (29-11-18) we had our third seedlings visit. We had a lot of fun working with our grade 5 buddies, creating artworks of our families. We then went outside into the playground to play on our equipment. The monkey bars were very popular! Our final transition day will be next Wednesday (5-12-18). We look forward to a picnic lunch with all of our seedlings and their families on this day.

GARDEN REPORT

Today I was working on my independent learning grid. I drew a picture of the garden for my title page. I didn't like turning the compost. Tilly Fenner K/1R.

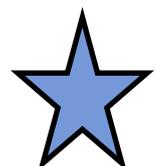

Today for garden I did science with Mrs Svarc about water. We talked about what water felt like, sounds like and looks like. I was really excited when we started doing science because I love science. Lara Lions 1/2CP.

Today I did weeding and watering with Fiona. I pulled out big and little weeds, there were a lot of them. I enjoyed it. Harry Gallagher 2/S.

Year 6 fundraiser -Sponge Throwing

On Wednesday the 21st, Monday the 26th and Tuesday the 27th we ran a wet sponge throwing event. This gave the kids a chance to throw at popular faces at H.P.S these people included Mr Brodie, Mr Curtis, our leadership team, and many others. Over the course of the 3 days we managed to make \$159. This couldn't be possible without the Howlong Public School community. All the money raised will go towards the year 6 gift and dinner. Your invitation

Aspire Early Childhood Intervention Sensory Workshop

Are you having trouble understanding why your child is having a meltdown or more meltdowns than expected?

Is your child sensitive to noise, touch or loves to move more than same-aged children?

Your child may be having some sensory difficulties.

Come along to our workshop to find out what sensory processing is, how to recognise a child who may be struggling and where to get help for your child.

When: 12 December 2018
Time: 7:00pm to 9:00pm
Cost: \$100
Location: Aspire, 220 Borella Road, Albury

You can use your child's NDIS funding to access the workshop under Improved Daily Living.

If you currently have a service agreement with Aspire with Improved Daily Living, please indicate this when booking. If you don't, please indicate this also and one of our Customer Service Team will contact you to organise a service agreement.
